

GILMORE DENTAL
Discount Plan

Gilmore Dental Discount Plan

We are pleased to offer a discounted plan to patients who are without dental benefits. We understand that affording dentistry can be challenging in today's economy, therefore we not only discount preventive fees (paid in premiums), we also discount treatment and ancillary preventive services. Classification is determined by Dr. Gilmore based on gum health at the comprehensive evaluation.

Premiums cover the following:

- All cleanings under the classification determined by Dr. Gilmore upon comprehensive evaluation.
- One evaluation performed with x-rays.
- One set of bitewing x-rays.

Treatment discounts:

- 15% with cash or check payments including ancillary preventive services.
- 10% discount for credit card payments including ancillary preventive services.

Additional family members are given an extra discount on the premium of their respective class (family members can be different classifications based on gum health).

Children 12 and under are also given a larger discount off of Class I.

This is a dental discount plan and is NOT dental insurance. It CANNOT be combined with any other dental benefits or in office offers. It is ONLY good at Gilmore Dental.

Membership fees: You may pre-pay 12 months in advance. Monthly payments are required to be set up as a withdrawal from your checking account or debit/credit card. A voided check must be provided for ACH; if you do not have checks your financial institute will give you the routing and account number. An ACH fee of \$3 will be assessed by the payment processor to your monthly membership amount. For debit/credit card transactions:

\$15.00 - \$24.99 = \$4.00 fee assessed

\$25.00 - \$74.99 = \$5.00 fee assessed

\$75.00 - \$149.99 = \$7.00 fee assessed

Example: Premium \$35 per month by ACH will be \$3.00 for total withdrawal of \$37.00. Membership fee of \$55 by debit/credit card will be \$5.00 for a total withdrawal of \$60.00.

Any returned drafts or debit/credit card decline will be subject to a \$15 (**for any reason**) and the account must be resolved before any other preventive or restorative services will be allowed.

\$150 registration fee applies to all new applications or if annual premium have been expired more than 30 days.

All discounts are available solely through Richard D. Gilmore DMD PC. If you must be seen by a specialist or if Dr. Gilmore is out of the office and you need to see someone on an emergency basis, these appointments do not fall within the program and will be solely patient portion with the treating provider.

Member payments on treatment are due at the time of service **unless payment arrangements have been made prior to treatment.**

Applicable registration fees (new patients only or reactivation) and the first month's premium must be paid prior to entering the hygiene and restoration discount program.

Missed or broken appointments without 48 hours notice will be subject to a missed appointment fee. For Dr. Gilmore \$100 per hour and \$100 for hygiene.

Minimum membership period is 12 months and payments are NON-REFUNDABLE. Services are used or lost, they are NOT carried over.

Monthly automatic withdrawals for premiums will renew automatically on the anniversary date until cancelled in writing, unless approved by Dr. Gilmore. Prepaid memberships, patients will receive a letter roughly 1 month prior to membership renewal.

30 days written notice of cancellation is required after the initial 12 month membership has been satisfied and premiums previously collected must cover services used at that time. Example: if both professional cleanings have been provided within the benefit period the remainder of the 12 payments must be received before cancellation will be accepted.

Family members are defined as a husband, wife, partner and non married children living in the household up to the age of 26.

Premiums and plan discounts are subject to change anytime at the discretion of Dr. Gilmore DMD PC. Dr. Richard D. Gilmore DMD PC reserves all rights to cancel or discontinue this plan for any reason at the end of any month with or without notice.

Replacements of prosthetics (dentures, bridges, partials) and crowns are only eligible if the prosthetic/crown material has failed, is under five (5) years old, and professional cleanings and periodic examination appointments are kept at a minimum of two (2) times per calendar year. Periodontal maintenance is a minimum of three (3) per year. Replacement for lost or stolen appliances is excluded.

Any dental services provided to the member by state, county, or municipal agencies or dental services provided without cost to the member are excluded. Any dental expense incurred if the dentist is unable to perform a procedure due to the member's general health or physical condition is excluded.
